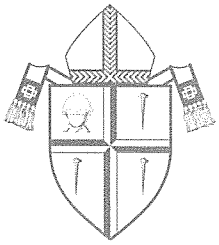
DIOCESE OF SAN DIEGO



Office of the Vicar General

February 22, 2019

Dear Brothers:

Dating back to the Dallas Charter in 2002, the Diocese of San Diego has received and provided "Letters of Suitability," indicating that priests who wish to serve outside of their respective dioceses or provinces are not impeded from ministry; especially due to crimes against minors.

The following is a list of priests living in San Diego who are either assigned or have permission to live here in their retirement. The list includes active and retired diocesan priests, religious order priests, and extern priests (on loan from other dioceses). In each case, they have "Letters of Suitability."

If a name is not listed herewith, please inform Laura Ginella in the Office of Vicar for Clergy. It may be that a "Letter of Suitability" has expired or, for some reason, has not reached our files. In this case, we will reach out to the priest immediately.

It is important that each and every priest who serves in the diocese is suitable for ministry among minors. Priests who are not on this list <u>or</u> who do not provide to you directly a "Letter of Suitability" are <u>not</u> allowed to offer services here in the diocese.

We intend to update this list each quarter. Meanwhile, please refer to this if you should have any questions about a priest who is living and/or active here in the diocese. An updated list will also be made available in June, 2019.

Understanding that this mission toward protecting our children will not conclude until Christ returns in glory, I am grateful to you for your vigilance in this matter.

Sincerely in the Lord,

+

Most Rev. John P. Dolan
Auxiliary Bishop of San Diego
