Restorative Justice...

a Christian approach to the criminal justice system, focused on victim, offender, and community.

Detention Ministry...

your active response to the Gospel mandate to facilitate services in one of the 27 detention facilities/prisons in the Diocese.

What to bring to Detention Ministry...your calling to serve “the least of these”...

... the gifts of your presence, compassion, hope and love.
...your ability to serve twice a month for at least one full year.

Be prepared to encounter...

... stories that need to be heard,
...many unchurched yet deeply spiritual people,
... yourself as a channel of His love and peace,
... the Holy Spirit working through you.
