World Youth Day and Experience of Panama, January 20-28, 2019

EXPERIENCE WORLD YOUTH DAY

An experience like no other, where young pilgrims from across the globe come together for a week of prayer, worship, and fellowship during which they radiate the joy of Christ to each other and to the world. Although many difficulties greet pilgrims, the graces that flow from these days ignite their faith for years to come.

EXPERIENCE PANAMA

Panama Canal Bonus Day: Tour the famous Panama Canal at the iconic Miraflores Locks. Discover Panama's natural wonders within the ultra-modern Biodiversity Museum. Step into history as you explore the ruins of Panamá Viejo.

Rainforest Escape Day: Ride along on an Aerial Tram up through the canopy of the rainforest, and take in the expanse of the Soberanía Park from a treetop observation tower. Or, jump aboard a boat to cruise along the Chagres River and Gatún Lake. Exotic wildlife abound on both of these tropical tours.
