

# Bending the Global Warming Curve: *A New Alliance between Science, Religion and Policy*

Bishop Robert W. McElroy and the Creation Care Ministry of the Diocese of San Diego invites all priests, deacons, religious women and men and Catholic school principals to a day of study, reflection and planning on the message of Pope Francis' encyclical "Laudato Si" about the environment and our stewardship of all of creation.

## WHEN:

Wednesday, October 30th, 11 a.m. - 1 p.m. (Lunch to follow)  
Registration: 10:30 a.m.

## LOCATION:

Diocesan Pastoral Center  
3888 Paducha Dr. San Diego 92117

## SPEAKERS:

Dr. V. Ramanathan, a world-renowned climate scientist at Scripps Institute of the University of California and member of the Pontifical Academy of Science. He advised Pope Francis on his encyclical "Laudato Si."

“

*A true ecological approach always becomes a social approach; it must integrate questions of justice in debates on the environment, so as to hear the **cry of the earth and the cry of the poor.** ” (Par. 179 L. S.)*
