

Office of the Vicar General

Dear Brothers,

In lieu of the convocation which was to take place this week, Bishop McElroy would like to hold eight evening gatherings of diocesan priests and extern priests working in parish assignments. Gatherings for retired priests and religious will be scheduled at a later date.

These "Convocation Evenings" will take place in October at a venue to be determined. The format will include evening prayer at 5:00 PM, followed by a dinner meeting and fraternal discussion on priestly wellness in our various assignments. There will be three tables hosted by Bishop McElroy, Bishop Bejarano, and myself.

Please mark four of the eight meetings listed below and return this form no later than Monday of next week, September 28. We will randomly select a date for you, based on your four preferences.

Priests from the Imperial Valley be offered accommodations at St. Francis Center.

We strongly encourage your attendance as a way to gather as brother priests.

Sincerely in the Lord,

Bishop John Dolan
