Thursday, September 30, 2021

8:00 AM – 4:00 PM

Hall of Justice, San Diego Superior Court

330 West Broadway, San Diego

Free and open to all faiths

Please join us to learn about California’s court system and help build a more just San Diego through an active exchange of ideas among clergy and the bench. Our program is designed to provide clergy members with valuable information regarding:

- How to support congregants in encounters with the law, including crisis situations
- What to expect at a court hearing, and how to attend a hearing
- Where to get resources to help congregants with legal issues

This year’s conference will feature a special plenary session featuring a Racial Justice Panel, and a listening session with judicial officers to increase the bench’s understanding of the community’s access-to-justice concerns. Break-out sessions with San Diego Superior Court judges and other knowledgeable speakers will include:

- ◆ Domestic Violence in Family Court, and Restraining Orders
- ◆ Homelessness and the Role of the Courts
- ◆ Cleaning Up a Criminal Record
- ◆ Criminal Justice Reforms
- ◆ Substance Abuse – Best Practices
- ◆ Evictions
- ◆ Mental Health
- ◆ Juvenile Dependency
- ◆ Immigration
- ◆ Mandated Reporting – Special Issues

Registration information will be delivered in August.

Event hosted by the San Diego Superior Court.

Includes continental breakfast and lunch and optional courthouse tour.
