

Whole Person Care Initiative

California Catholic Bishops' program to transform how we support seriously ill parishioners

The workshop is for any ministry that interfaces with people who may be seriously ill and need caregiver support: extraordinary ministers of communion, bereavement, respect life, Legion of Mary, homebound visitors, catechists, adult faith formation, Knights of Columbus, and all who serve the homebound, the hospitalized, and those in convalescence.

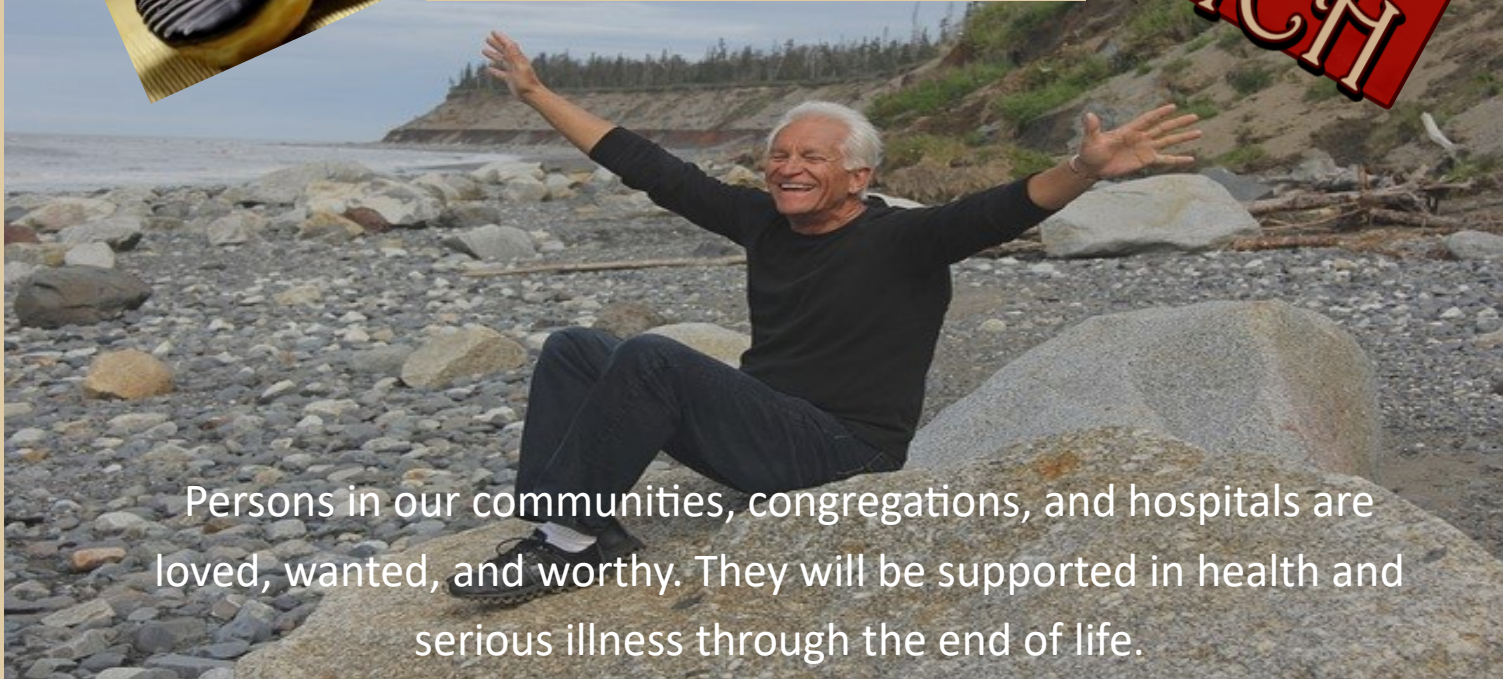

Saturday, Sept. 8, 2018

9:30-Noon

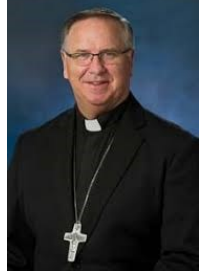

**St. Michael Parish
15546 Pomerado Rd.
Poway 92164**

**FREE
LUNCH**

Persons in our communities, congregations, and hospitals are loved, wanted, and worthy. They will be supported in health and serious illness through the end of life.

Bishop John Dolan, Liz Sumner (Program Director for the WPCI), and Noreen McInnes (Diocesan Director for Liturgy) will cover topics of Catholic teachings on ethics and end of life care, pastoral care for the sick and dying, hospice, and palliative care.

Please register by September 6th at mvalencia@sdccatholic.org

Let us know if you will need simultaneous Spanish translation
