

Did you know?

- ❖ 1 in 4 pregnancies ends in miscarriage.
- ❖ 1 in 4 women in the U.S. will have an abortion by age 45.
- ❖ These losses can affect men, women, family members, and friends.
- ❖ You can help set a trajectory for healing.

Reproductive Grief Care Training

Reproductive Grief Care Training is a 2-hour seminar for faith-based leaders who want their organizations to bring hope and healing to hurting people who may be suffering alone.

Training will help broaden the understanding of grief and loss after miscarriage and abortion, providing essential knowledge, skills and empathetic listening tools. It will also explore how to be a safe place for hurting men and women, and provide practical resources to support those in the community.

This training is also ideal for family and friends of people who have been impacted by reproductive loss, to help them in their healing journey.

Course Objectives

- ❖ Broaden your understanding of grief and loss after miscarriage and abortion
- ❖ Provide you with essential knowledge and empathetic listening skills
- ❖ Explore how to be a safe place for hurting men & women
- ❖ Provide healing resources to help those in your community
