

Healing Pathways for Families

Embracing our Vulnerable Children

Supporting Foster Families in our Parishes

Fostering is a challenging ministry, especially for first-time foster families. How can parishes support this pro-life call to help vulnerable children in our churches and in our communities?

🕒 **WHEN?** Wednesday, May 12 @ 7:00-8:30 pm on **zoom**

Join us for this panel presentation where foster parents and representatives from organizations supporting foster families discuss what it means to embrace our vulnerable children.
